

Faculty Development Advisory Board

Statement of Purpose, Philosophy, Organization, and Responsibilities

Fall 2016 Edit

Purpose: The Faculty Development Advisory Board supports the office of Faculty Development in constructing the spectrum of faculty training and development offerings, assessing their effectiveness, and envisioning a horizon of future development needs. The Board serves as a working group with broad representation from faculty, faculty leadership, and academic administration. Its work includes:

- Evaluating teaching and learning grant submission.
- Soliciting training and development needs.
- Providing the Faculty Development Director with critical feedback.
- Representing the faculty perspective on development

Membership

- ~~Director of General Education and ePortfolio~~
- Director of eLearning
- **Service Learning Coordinator, Study Abroad**
- **Adjunct Instructor Representative**
- **DRC Representative**

Board Appointee Process

Note: In the past, at-large faculty members have been recommended by the Dean's Council. In an effort to provide leadership opportunities for faculty, it is important to select Board members who have expressed interest in serving on a college-wide committee. Do we want to continue the process? If not, what suggestions do you have?
